## League Wide Rules

- Coaches, Players, and Parents are subject to the ERC Youth Basketball Code of Conduct at all times during the season
- **Only the ONE coach is allowed to stand during game play.** Additional coaches standing will result in a warning followed by a technical foul for a second violation.
- **Only the head coach may call a timeout.**
- **Each team receives 3 timeouts per game. Timeouts do not carry over into overtime.**
- No jewelry is allowed to be worn. Shirts are to be tucked into shorts around the waist.
- **No custom jerseys are allowed. Teams are to wear their league-issued uniforms.**
- All players must wear shorts (no long pants, leggings, or spandex shorts). Leggings are allowed under the shorts. A warning will be issued to any player not wearing proper attire.
- Players foul out of game upon committing their 5<sup>th</sup> individual foul.
- For age divisions 7-8 and 9-10, a parent volunteer is to be provided by each team to serve as the game timekeeper or bookkeeper.
- For age divisions 11-12 and 13-15, a timekeeper/bookkeeper will be provided for all games.
- Overtime Rules:
  - Regular Season:
    - All players are eligible for OT (not subject to substitution rules).
    - 7-8 and 9-10: no subbing during OT period
    - **If time permits, 2-minute stop clock (on whistle). 1 full timeout for each team (no regulation timeouts carryover). Repeat if time allows. No additional timeouts.**
  - Playoffs:
    - All players are eligible for OT (not subject to substitution rules).
    - 7-8 and 9-10: no subbing during OT period
    - **1<sup>st</sup> OT:** 2-minute stop clock (on whistle), 1 full timeout for each team (no regulation timeouts carryover). 1 full timeout for each team during a given overtime period (no carryover from previous overtime period).
    - **2<sup>nd</sup> OT:** 2-minute stop clock (on whistle), 1 full timeout for each team (no regulation timeouts carryover). 1 full timeout for each team during a given overtime period (no carryover from previous overtime period).
    - **3<sup>rd</sup> OT (Sudden Death):** Each player on the floor (no bench players) shoots 1 free throw. Whichever team makes more out of 5 shots wins. If tie after each team shoots, players shoot 1 for 1 in the order they shot until 1 team scores and the other team does not.
- In order to start an officiated game by referees, a minimum of 5 players are required. Referees will not officiate a game with a team with less than 5 players and that team will forfeit. A forfeit will be considered 10 minutes after the scheduled game start.
- A game must end and team is considered forfeited if a team gets to 3 players (i.e. 2 foul out).
- Eligible Players must be on the current approved roster. This excludes Teams from having another/alternate Emmorton player not on that team participating in the game.

Non-officiated scrimmages between the teams sharing the court will be held during sessions 6-10. During these sessions, practice will be limited to 30 minutes, followed by a 24-minute scrimmage (Two 12-min halves timed and run by the coaches). These scrimmages are always a great way to exercise the fundamentals the kids are learning during practice. Applying the skills to a game setting within the rules will always be a challenge. Therefore, **these scrimmages are viewed more as an interactive learning simulation than a traditional basketball game.**

### Scrimmage Rules/Logistics:

- **Scrimmages will use the entire court and play 5-5.** If one team is short on players, the coaches can decide to play 4-4.
- **Scores are not kept.**
- **Each head coach should be out on the court helping their players** as they will surely need real-time coaching to stay organized. **ONLY 1 COACH ON THE COURT PER TEAM TO LIMIT THE NUMBER OF PEOPLE/VOICES ON THE COURT.**
- **Assistant coaches are to serve as the bench coach during scrimmages** to keep the kids seated on the bench and manage substitutions so you can focus on the in-game coaching.
- **Players are to receive equal playing time based on the number of players available for the scrimmage.**
- **Traveling and double dribbling is not a turnover.** That being said, if a player travels or double dribbles, continuously reinforce the skills they're learning and encourage them to use proper fundamentals.
- **Out of bounds is to be called at the coaches' discretion** (i.e. if a player dribbles off their foot out of bounds bringing the ball up the court, they can reset and play continue). However, continuously remind players of the court boundaries.
- At the start of the scrimmage, after a made basket, or dead ball, have the player in-bounds the ball from out of bounds to a teammate.
- **There is no pressing.** The players are encouraged to bring the ball up the floor to start their half-court offense. After the team on defense obtains possession, the other team is to hustle down court and set up on defense.
- To encourage offense with the teams, **defensive players are to stay within the 3-point arc.**
- **Fouls are to be called by the coaches at their discretion.** If a foul occurs, stop play and reset the play at the top of the key (No need to inbound the ball from out of bounds).
