### Painting and Drawing Camp

**June 22–26 or July 13-July 17 or August 3-7**

Students learn how to create beautiful masterpieces step-by-step, with guidance by our highly talented instructors. We will focus on painting techniques in both acrylic painting and watercolor. Students will spend time drawing and preparing their own work, mixing colors, blending, creating value and emphasis. Classes are designed to meet the needs of beginner and intermediate students.
